Important information

- The minimum age that a person is permitted to travel alone on Aer Lingus (including Aer Lingus UK and Aer Lingus Regional) operated flights is **12 years old** without exception. By signing this form, you give permission for the young passenger listed below to travel without accompaniment by someone aged 16 years or over. You acknowledge that the young passenger shall be treated as an adult passenger and Aer Lingus shall not bear any parental responsibility for the young passenger.
- You understand that adverse weather or other events may occasionally result in **disruption** entailing an aircraft diversion and/or **overnight stay at, or away from, the scheduled point of departure/arrival**.
- For young passengers on a flight affected by a **disruption event** leading to a significant delay, or an overnight stay required at the scheduled point of departure (either before the outbound or return flight), you agree that you and the relevant person that you list below can be contacted to arrange the young passenger's overnight accommodation and personally collect the young passenger from the airport. If contact cannot be made with you or the listed contact below, you give permission for Aer Lingus or a representative of Aer Lingus to contact local law enforcement and/or child protection authorities to provide advice and/or care.
- For young passengers on a flight affected by a disruption event where an aircraft diversion and/or overnight stay is required away from the scheduled point of departure/arrival, you confirm that you understand that some taxi and hotel providers require formal, written consent for young passengers to use their services and/or be unaccompanied.
